# MANAGING RADIOLOGICAL EMERGENCIES

*Toolbox for Healthcare Providers*

The California Medical & Health  
Disaster Management Conference  
October 2002

## ABOUT THE CONFERENCE

The 5<sup>th</sup> Annual California Statewide Medical & Health Disaster Management Conference 2002 is designed to unite government and healthcare emergency management planners in building a coordinated response to radiological emergencies through informative and interactive presentations.

This year's series of one-day conferences offers attendees the opportunity to learn about the probability of a terrorist or accidental radiological event and the preparations required for its management. The conference will focus on the medical and health aspects of preparedness, planning, response and mitigation for radiological events.

## WHO SHOULD ATTEND
